

Nutrition News February 2020

It's National Heart Month!

National Wear Red Day February 7th

February is National Heart Month and now is a great time to make some changes to lower your risk of heart disease, as it is the leading cause of death in the United States. Did you know about 1 in 5 heart attacks are silent and the person is not aware of it?

Here are some healthy heart tips:

Limit Saturated and Trans Fat

- Include plant food sources of protein: Soybeans, pinto beans, lentils, and nuts.
- Limit trans fats often found in cakes, cookies, crackers, pastries, and French fries. Check packaging.
- Use healthy cooking methods: Bake, broil, roast, stew.
- Use small amounts of oils such as canola and olive in recipes and for sautéing.
- Make Salad Dressings with olive or flax-seed oil.

Eat Foods Containing Omega-3 Fatty Acids

- Try adding walnuts to cereal, salads, or muffins. Eat fatty fish each week such as salmon, lake trout, albacore tuna, mackerel, and sardines.
- Select egg varieties high in Omega-3 Fatty Acids.

Reduce Salt (Sodium):

- Season food with herbs, spices, garlic, onions, peppers and lemon or lime juice to add flavor.

Winter Fruit Salad

Servings: 6

Ingredients:

- 3 C. Pineapple, cubed**
- 1 C. Kiwis, peeled & quartered**
- 2 C. Mandarin Oranges**
- 1/2 C. Pomegranate Arils**
- 3 Tbsp. Lemon or Lime Juice**
- 3 Tbsp. Honey**
- 1 Tbsp. Poppy Seeds**

Optional garnish: Fresh Mint Leaves

Directions:

1. Place the Pineapple, kiwi, mandarin oranges, and pomegranate arils in a large bowl.
2. In a small bowl whisk together the lemon juice, honey, and poppy seeds.
3. Pour the poppy seed dressing over the fruit and toss gently to coat.
4. Garnish with mint leaves.
